RE: Docket D.T.E. MA 04-33

Dear Ms. Cottrell:

Enclosed for filing is AT&T of New England, Inc.'s Response to Verizon's Motion to Hold Proceeding in Abeyance. This revised response replaces the original response of AT&T filed yesterday. The substantive arguments remain the same but this version adds citations and makes other small modifications to yesterday's filing.

Please acknowledge receipt of the foregoing by date stamping a copy of this letter and returning it to the waiting messenger. Thank you.

Very truly yours,

Ruth T. Dowling
